High Hide Cover Stain®

A high-performance, all-surface oil-base primer-sealer that offers outstanding adhesion and stain killing power and dries to recoat in 2 hours. May be tinted toward the color of the finish coat to help the topcoat hide in one coat. Offers excellent flexibility and penetration making it ideal for exterior application to wood siding and trim. It seals surfaces with one coat offering excellent hold-out for enamels of any sheen. Use for interior and exterior walls, ceilings, doors, trim, paneling, siding, window frames and shutters - any surface where a high-hiding, high-adhesion primer is desired. This all-surface low-VOC primer-sealer can be used over or under any oil or latex architectural paint and is ideal for water damage, fire damage and smoke damaged (including nicotine) surfaces. Meets stringent SCAQMD Air Quality Standards for Specialty Primers, Sealers and Undercoaters.
